The Global Aging Forum is a *members only* roundtable where sponsors and select experts from the worlds of business, policy, and government can meet to discuss "global aging." Every month CSIS hosts an informal lunch focused on some aspect of the challenge. There is a brief presentation by a prominent policy or thought leader followed by an off-the-record discussion. The sessions focus on real world policy applications and solutions. Please note that this invitation is non-transferable. Please RSVP to Keisuke Nakashima at knakashima@csis.org.

CSIS wishes to acknowledge the generous financial support for the Global Aging Forum received from:
