

ALTERNATIVE TRANSPORTATION FUELS
Session IV– Biofuels II

9:00 AM - Noon
Thursday, November 9, 2006
CSIS B-1 Conference Level
1800 K Street, NW, Washington DC

The CSIS Energy Program, the Global Strategy Institute and the National Renewable Energy Laboratory are pleased to present the fourth in a series of discussions on Future Fuels and New Energy Technologies. This installment is intended to build upon our previous biofuels session in an effort to more completely present the range of biofuel options.

Welcome and Opening Remarks

Frank Verrastro, Senior Fellow and Energy Program Director, CSIS

Introduction and Framing

Dr. Douglas Arent, Director, Strategic Analysis, NREL and Senior Research Fellow, CSIS. Dr. Arent will serve as Moderator for this event.

Featured Speakers:

Robert Anex, Associate Professor, Department of Agricultural and Biosystems Engineering, Iowa State University
Growing Energy Sustainability in the New Carbon Economy

Lou Burke, Manager, Emerging Technology, ConocoPhillips
Biofuels at Scale

Reid Detchon, Executive Director, Energy Future Coalition
Biofuels and National Security

Adam J. Schubert, US Strategy Manager, BP Biofuels
Corporate Perspective: BP's Experience and Approach to Biofuels

Commenter

Eldon Boes, ASME Congressional Fellow, Senate Committee on Agriculture, Nutrition and Forestry
