THE RIVER OF LOST FOOTSTEPS: HISTORIES OF BURMA

A book-launch with author and diplomat,

Thant Myint-U

Introductions by PCR Project Co-Director,

Rick Barton

“Considering the country's longstanding global isolation in the context of its geographic and cultural singularity, Thant Myint-U interweaves his own family's history, writing extensively about his maternal grandfather, U Thant, who rose from humble origins to become secretary-general of the U.N. in the 1960s. Profiling 20th-century Burmese leaders such as Aung San, U Nu and Nobel Peace Prize-winning activist Aung San Suu Kyi, Thant Myint-U beautifully captures the complex identity of a little-understood country, concluding with a trenchant analysis of Burma's current predicament under an oppressive regime.” – Publisher's Weekly
