

ARCTIC NATURAL GAS CLEAN ENERGY FOR THE FUTURE

Honourable Robert R. McLeod

Minister

Industry, Tourism and Investment
Government of Northwest Territories
Canada

CANADA

Northwest Territories

Population 43,000

Area 1.18 million square kilometres

Capital Yellowknife

Key Industries Mining, Construction, Petroleum,
Public Administration, Tourism

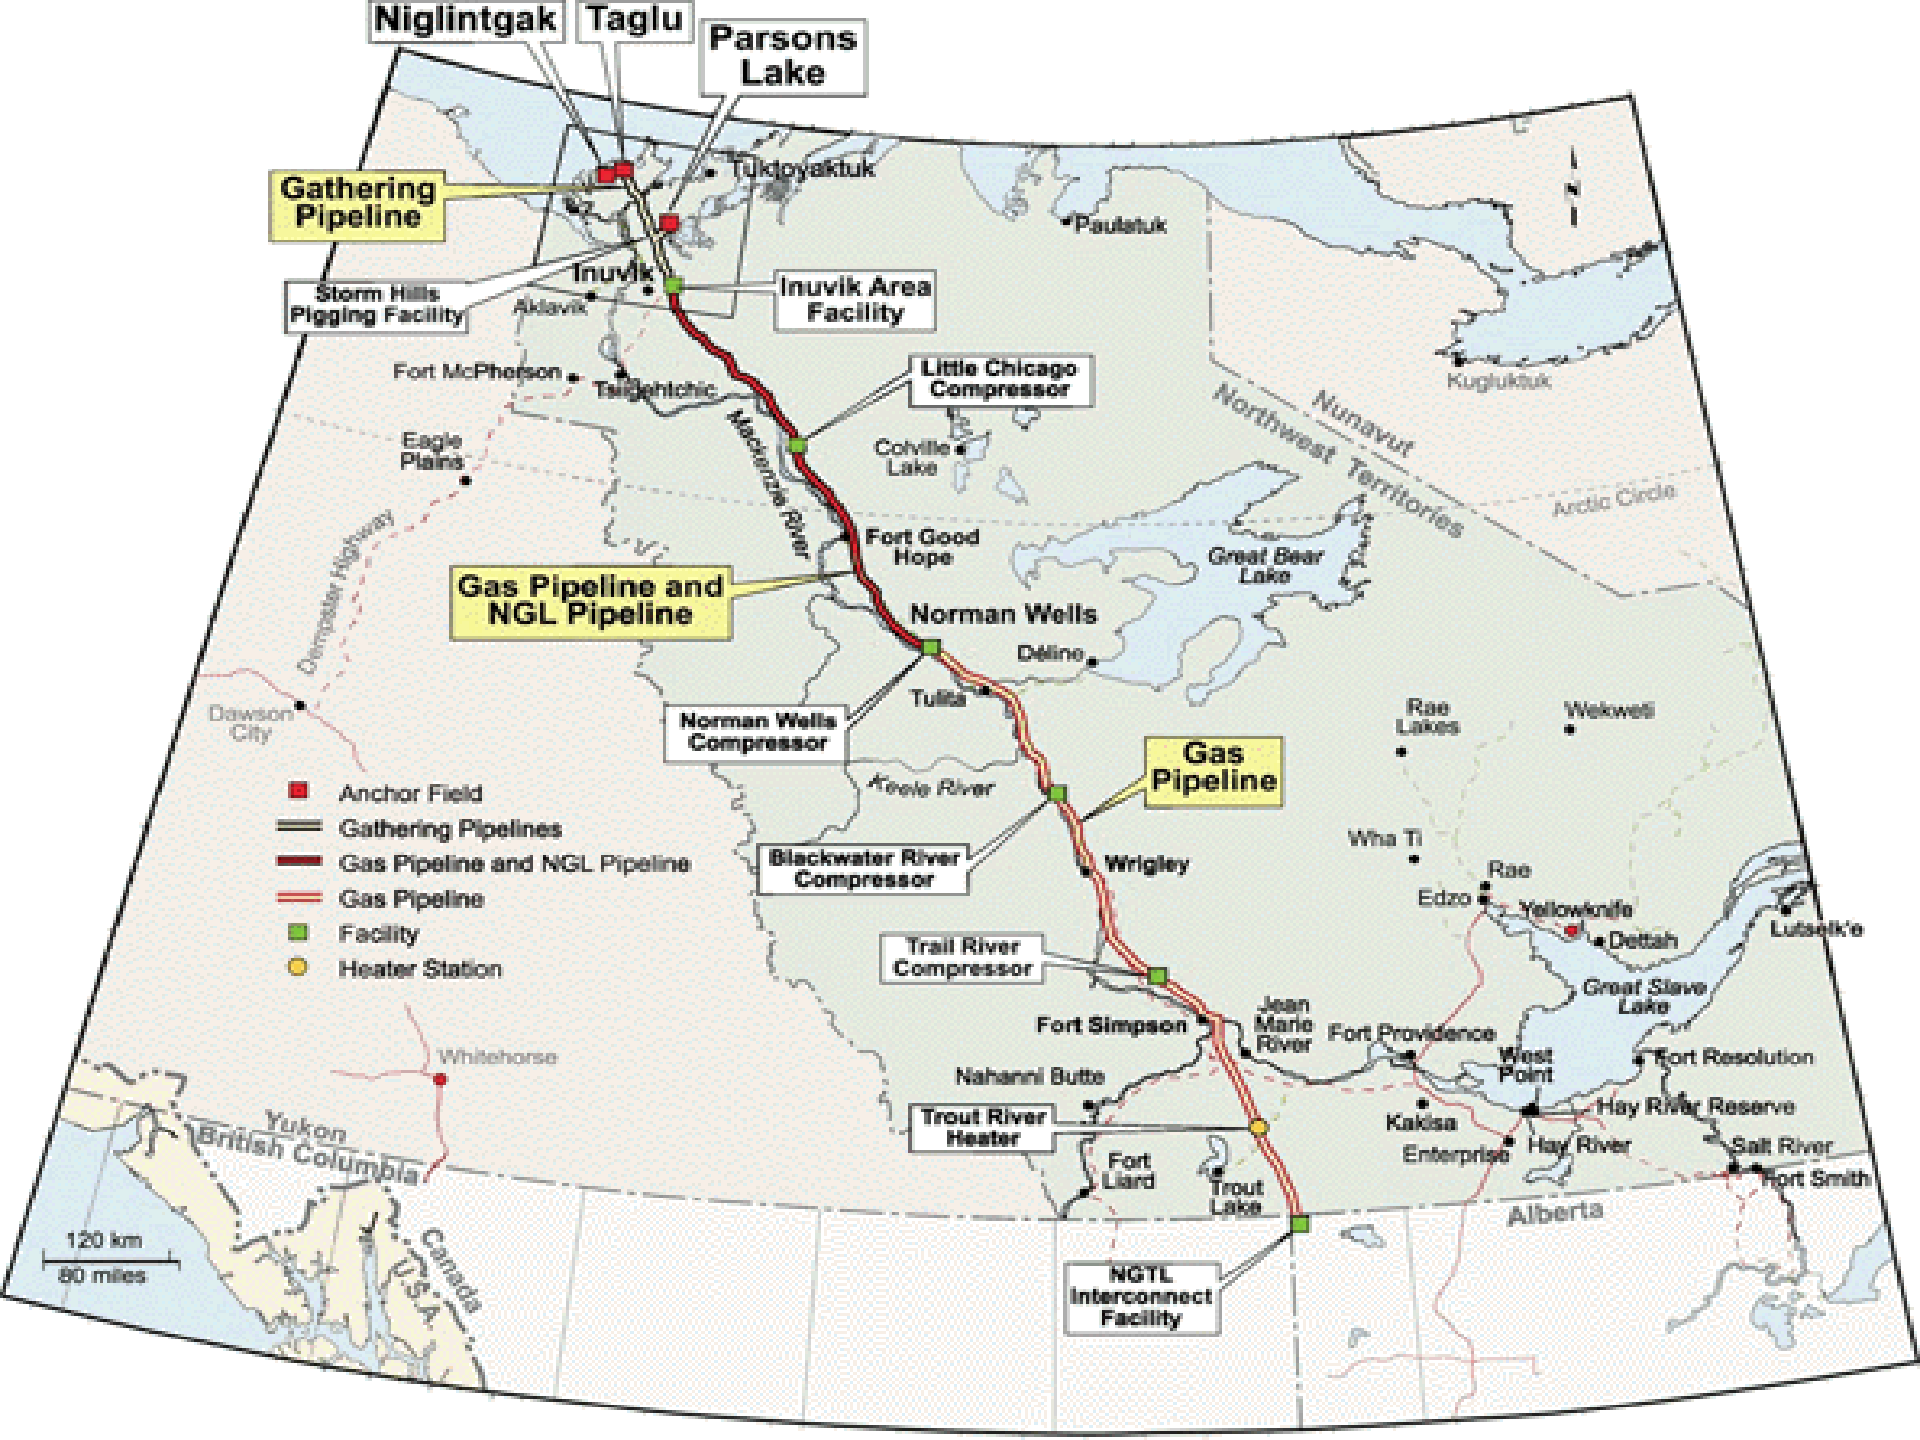

ARCTIC NATURAL GAS

Oil and Gas Reserves and Resources in the NWT

	Oil (Billion Barrels)	Natural Gas (Trillion Cubic Feet)
Discovered Resources	1.2	16.2
Ultimate Potential	6.8	81.2

Arctic Natural Gas

Mackenzie Gas Project

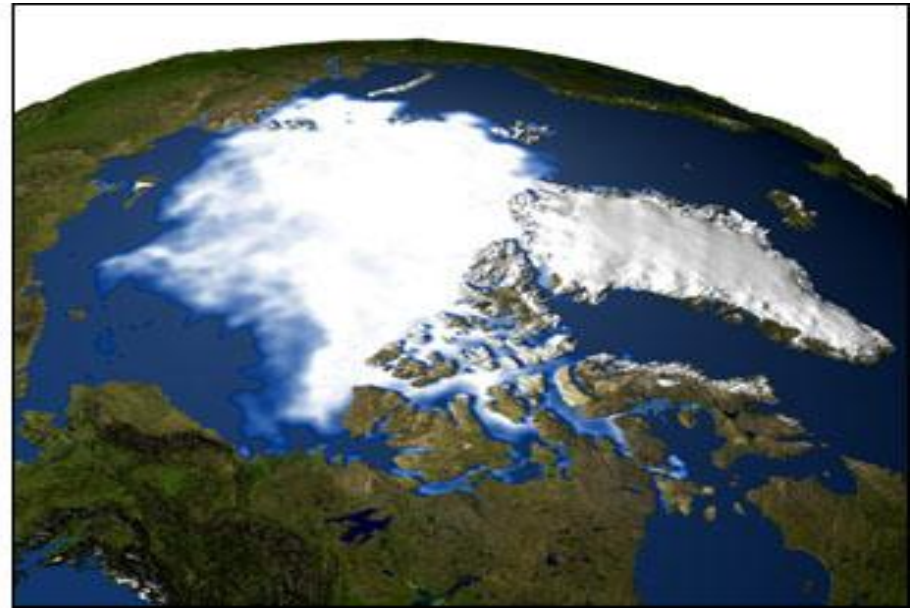

800 million to 1.2 billion cubic feet
natural gas per day to North American
markets

208,000 person years of employment

\$86.3 billion to the Canadian Economy

**In less than a generation,
the polar ice cap melt is significant.**

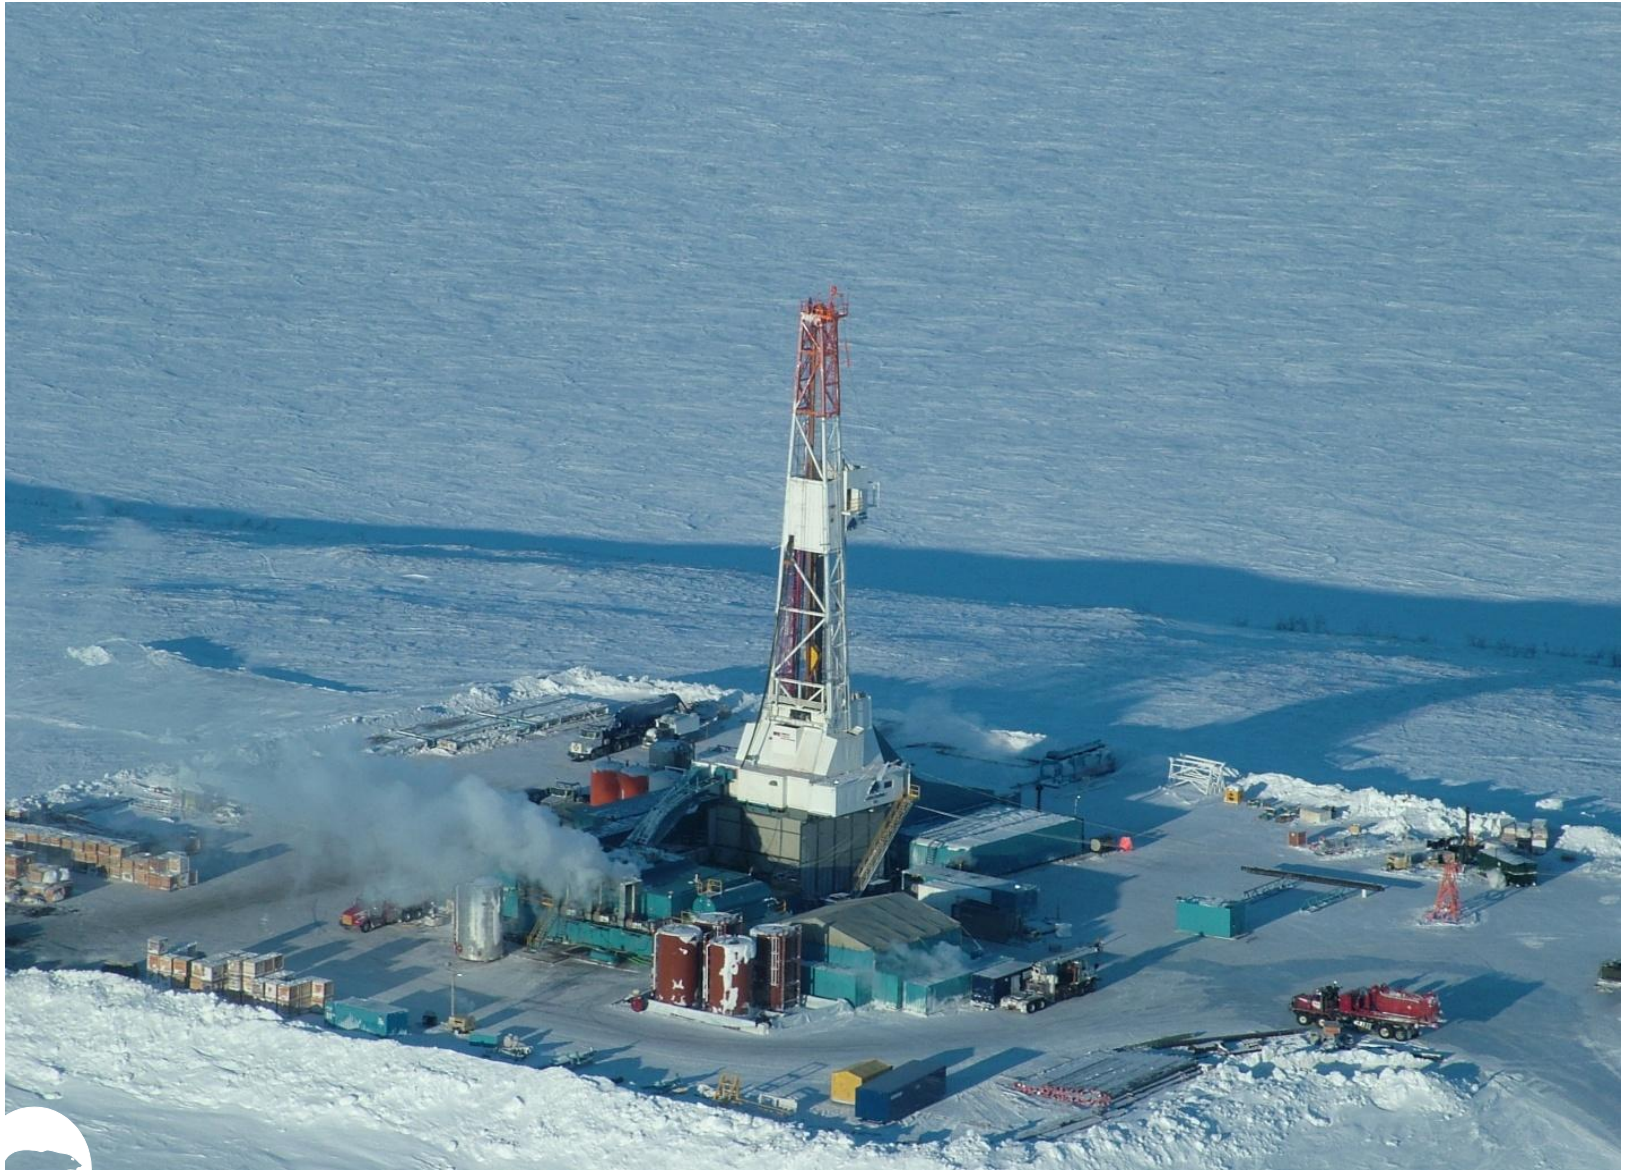

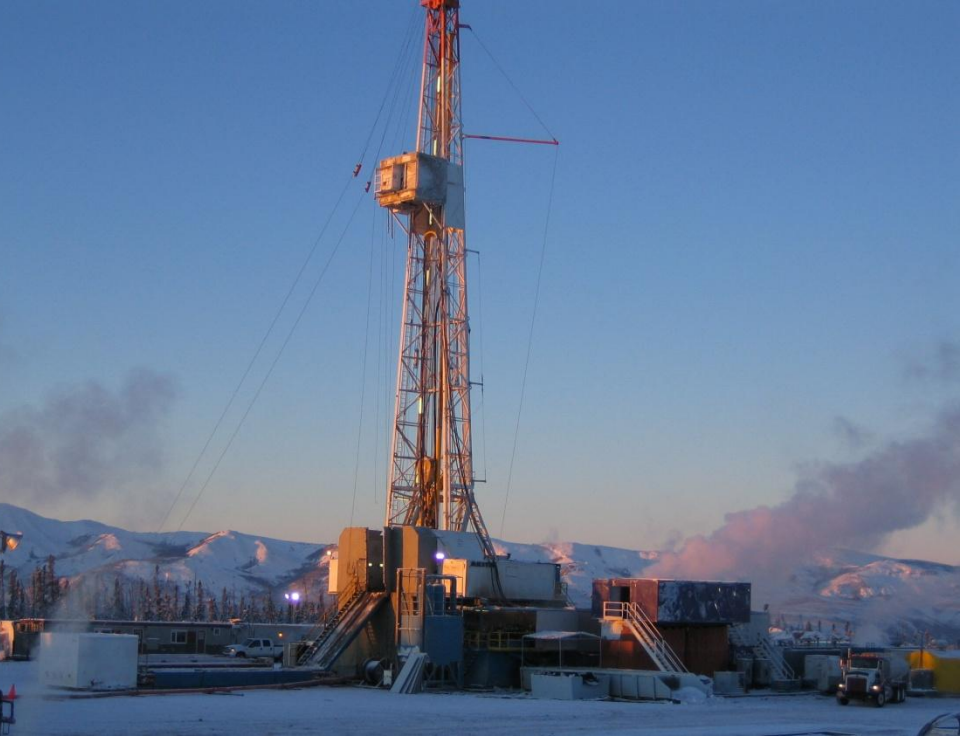

THE CONTINENTIAL ENERGY DILEMMA

**RISING DEMAND = INCREASED
GREENHOUSE EMISSIONS**

Thank You
