The Joint Chiefs on the January 6, 2021 Riot in Washington

Anthony H. Cordesman

Far too much of the commentary following the attacks on the Capitol building has been partisan or too focused on the event as part of a broader threat to American democracy. It is important to note that the Joint Chiefs of Staff issued a statement to the U.S. armed forces that avoided any element of partisanship or panic, but it provided a powerful and decisive statement on their role in defending the Constitution.

This statement got only marginal attention in the media that instead focused of the ongoing crisis. Some other coverage took the message out of context to support partisan or policy positions that the statement did not take.

A copy is attached. In a time of far too many extreme views, this statement provides clear evidence that the U.S. military is performing its role in defending and upholding a keystone of democracy. It has a lasting meaning that goes far beyond the headlines of the crisis, and it is well worth reading in full.
MEMORANDUM FOR THE JOINT FORCE

SUBJECT: MESSAGE TO THE JOINT FORCE

The American people have trusted the Armed Forces of the United States to protect them and our Constitution for almost 250 years. As we have done throughout our history, the U.S. military will obey lawful orders from civilian leadership, support civil authorities to protect lives and property, ensure public safety in accordance with the law, and remain fully committed to protecting and defending the Constitution of the United States against all enemies, foreign and domestic.

The violent riot in Washington, D.C. on January 6, 2021 was a direct assault on the U.S. Congress, the Capitol building, and our Constitutional process. We mourn the deaths of the two Capitol policemen and others connected to these unprecedented events.

We witnessed actions inside the Capitol building that were inconsistent with the rule of law. The rights of freedom of speech and assembly do not give anyone the right to resort to violence, sedition and insurrection.

As Service Members, we must embody the values and ideals of the Nation. We support and defend the Constitution. Any act to disrupt the Constitutional process is not only against our traditions, values, and oath; it is against the law.

On January 20, 2021, in accordance with the Constitution, confirmed by the states and the courts, and certified by Congress, President-elect Biden will be inaugurated and will become our 46th Commander in Chief.

To our men and women deployed and at home, safeguarding our country—stay ready, keep your eyes on the horizon, and remain focused on the mission. We honor your continued service in defense of every American.
